Examiner's Statement of Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The closest reference found US-5,031,373 issued to Montgomery, does not teach or suggest each of the plurality of outlet passages being oriented in a different direction relative to the remainder of the outlet passages. Hence, the art of record considered as a whole alone or in combination neither anticipates nor renders obvious a plurality of outlet passages being oriented in a different direction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alvin J. Grant whose telephone number is (571) 272-4484. The examiner can normally be reached on Mon-Fri 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph J. Hail can be reached on (571) 272-4485. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
